SECONDARY E-NEWSLETTER.

April-June 2026

From the Principal's Desk

Dear Parents and Guardians,

It gives me great pleasure to present the **Secondary Newsletter for April–June 2026**, capturing the vibrant beginning of a new academic year—a term marked by leadership, achievement, creativity, cultural expression, and meaningful learning experiences.

The past few months have been a celebration of our students' diverse talents and accomplishments. The **Investiture Ceremony** marked an important beginning as our newly elected Student Council formally embraced their roles as leaders, while the **Prize Day** and the **ICSE & ISC Toppers' Felicitation Ceremony** provided proud moments of recognition for academic excellence and all-round achievement. Our students also distinguished themselves in diverse fields, from securing **Gold in U-19 Girls' Basketball** and a **Silver Medal in Karate Kata** to achieving notable positions in chess, football, and inter-school competitions.

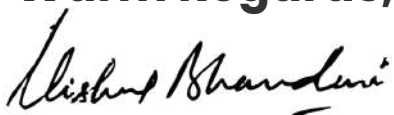

Beyond academics and sport, the term offered enriching opportunities to explore culture, literature, social awareness, and wellbeing through celebrations and initiatives such as **Poila Boishakh, Menstrual Hygiene Awareness, International Day of Yoga**, and special assemblies on **Maya Angelou and Rabindranath Tagore**.

The **City Corpus 2026 Commerce Fest**, which brought together students from schools across Kolkata, provided a stimulating platform to develop skills in business, finance, strategy, and decision-making. The master class on **Data Science and Artificial Intelligence in the 21st Century** further encouraged students to look towards emerging fields and future possibilities with curiosity and confidence.

I congratulate our students on their achievements and appreciate the dedication of our teachers and staff, along with the continued support of our parents. Together, we remain committed to nurturing young minds to **learn, lead, explore, and excel**.

May the months ahead bring our students many more opportunities to grow with confidence, curiosity, compassion, and purpose.

Warm Regards,

Principal

South City International School
